Mar 4, Clean up of trash near mower shed started.

Mar 10, Old flat bed trailer sold

Mar 18 More Starting tables delivered and assembled at field

Apr 2, second bleacher delivered to field

Apr 5, third bleacher delivered to field

Apr 8, several side trays added to Starting tables

Apr 30, Work party

We sanded the tables and benches that we did not replace and fixed some of the boards.

Removed all of the t-tables and used some of the boards from them to fix the tables that needed it.

Pulled up the old mats that were for the GS Planes

Took everything out of the club house shop vac'd the inside and pulled up the carpet that will be replaced with vinyl

Spread of the gravel and leveled it

Rearranged the tables per Brad's blue prints that were approved at last meeting.

Replaced a Carl Henson Field sign post

Made a 12 foot table that will be used for food and prizes at events

Pressure Washed the following:

Port a Potty
Some of the tables
BBQ (gross it needed it bad!)
Coolers

Removed the aluminum gear holders from most of the benches
Port a Pot moved from center of parking area to Mower shed area

added

To Do

North South Runway needs a PLAN as to how it will be managed
FIELD FLYING RULES and Designated Flying Area will need to be updated.

Underground watering system research

North-South Geotex runway
