## *From Our President*

Hey All,

We have seen some hot weather in the last weeks, but I have seen lots of good flying weather, especially in the mornings.

The last week has been filled with news that regardless of your politics, came very close to changing all our lives. My heart goes out to the families that were forever impacted by this tragedy, and I pray for Americans to choose peaceful resolutions to our differences.

Our next "event" will be Monsterfest, in the middle of August, and we need to be readying ourselves to make it a grand time!

Join us for our monthly club meeting on August 24th! The weather should be perfect, and the burgers delicious!

Fly Safe,  
Rog
