President

Last weekend was the Monster Fest and it was a terrific event. The contest directors, Brad Werneth and Mike Winklepleck put countless hours of work into preparation for this event and if you had the opportunity to attend the Monster Fest you know it paid off and they should be congratulated for this great success. We had pilots from Washington, California, Idaho as well as Oregon.

The prime sponsor Aerobeez really brought their "A" game to this event. The demo flights were nothing short of awesome and there was lots of product for sale. I must the make special mention that the entire Aerobeez team were first class, informative, knowledgeable and friendly people.

See Mike Winkleplecks' extensive report on the web site. – worth the read.

Contest Director

For all club members, I would like you to know that Mike Winklepleck is the reason we had any of the main prizes at all. Mike spent at least 75 to 100 hours on getting us prizes and talking to manufacture after manufacture to get every little thing he could. Thank you Mike, this event would not have been possible without you.

Brad S. Werneth

Treasurer

The club brought in \$400 in pilot fees at the event and \$172 from pre-registration and T-shirt sales, \$605 from the plane raffle, \$45 in hat and shirt sales, \$173 in BBQ and soda donations.
