Our Dad was born April 24, 1926 in Marshfield, Oregon; now known as Coos Bay. He was the son of William and Lorna Barrow. He attended Marshfield High School and graduated ahead of his class of 1944 so he could enlist in the Navy during World War II, where he served in the Pacific Theater on the Island of Guam.

He was honorable discharged in 1946. Dad then returned to attend Pacific University in Forest Grove, Oregon for his teaching credentials. Later, going onto earn his Master's degree in Education.

Dad married our mother, Marjorie Ruth Cox in 1951. They were divorced in 1964. One of Dad's greatest accomplishments was the raising of his two children. He is best remembered for his teaching of General Science at Hamlin Middle School in Springfield for almost 3 decades.

At the time of his death he was the oldest member of the Eugene Aeronautics, a radio control club for flying RC model airplanes; a hobby he enjoyed his entire life.
