

Our second Swap Meet is in the books. It was again a successful event with over 100 visitors come through the door. We had 26 tables sold indoor and 1 outside vendor set up for this swap meet. Martin has published the financial report but I believe it was about \$1200 profit for the club. We had people from as far as McMinnville come to browse the tables for their next project or plane. We even had a visit from RCGirl, who is a Facebook and YouTube content creator. In the following months we will be discussing what we did well and what we can do better. Please send me your questions or comments on what you think we need to change to make our next swap meet bigger and more successful.

Hope to see you at the field.

Ken
